We cordially invite you to attend the seminar “Growing your business overseas”, initiated by the Netherlands Foreign Investment Agency (NFIA), the Consulate General of the Kingdom of Netherlands in Cape Town, facilitated by the Southern African – Netherlands Chamber of Commerce (SANEC).

The Netherlands provides your company with a strategic location to serve markets within Europe. The central geographical position of the Netherlands, combined with accessibility and an excellent infrastructure, are only some of the reasons why numerous European, American and Asian companies as well as a number of South African companies have established their facilities in the Netherlands.

The pro-business environment of the Netherlands offers companies superior logistics and technology infrastructure, a conducive innovation environment, a competitive fiscal climate and a highly educated, flexible and motivated workforce.

This seminar is aimed at Board Members, CEO’s, CFO’s, Supply Chain Managers and other decision makers responsible for internationalisation strategies.

We are looking forward to see you the 30th!
