Seminar Agribusiness Opportunities in Zimbabwe

Last Thursday 17 September SANEC, NABC and the Embassy of the Kingdom of the Netherlands organised an eye-opening seminar concerning agribusiness opportunities in Zimbabwe. Both H.E. Ambassador Tadeous Tafirenyika Chifamba (right) and H.E. Ambassador Gera Sneller (left) were present to give a very passionate, inspiring opening speech. Various speakers addressed the favorable circumstances as well as the risks of doing business in Zimbabwe. The sub-sectors with the most promising opportunities that were discussed

in this seminar are grain, tuber crops, oilseeds, horticulture and livestock. More information regarding this event can be found on our [Flashback](#) page.

SANEC SADC-EU Ambassadors Luncheon

SANEC held its second annual SADC-EU Ambassadors Luncheon at The Blades Hotel in Pretoria. A toast by the chairman of SANEC and Shell South Africa Energy expressed his shared satisfaction over the success of the event. A special thank you to our sponsors Shell, Philips, TIKZN, DBSA, Tongaat Hulett and Vinicurious who completed the luncheon with delicious imported wines. Nissan and Infiniti showcased their exclusive cars, which were to everyone's awe. The event was broadcasted by our media partner, Channel Africa, a division of SABC and the panel discussions were facilitated by Mr Godfrey Mthizwa of CNBC.

Coming soon: DRC Trade Mission

Commissioned by the Dutch Ministry of Foreign Affairs, SANEC and NCH will organize an Agro-Food mission from the Democratic Republic of Congo to the Netherlands in November 2015. The Agro Food sector offers many opportunities to combine support/assistance (choose one), cooperation and trade. It is one of the Netherlands' top sectors and Food Security is one of the key policy priorities in Southern Africa especially in The DRC. More information regarding this mission will be provided soon.

Van den Bosch is expanding to Africa

Our member Van den Bosch Transporten is expanding its enterprise to Africa and the Middle East. Already over the past years the bulk transport company was able to acquire a strong position on the African market. This September, the organisation is opening a new section in Dubai and in 2016 Van den Bosch will open a tank cleaning service in Ghana.

New ways for SME's and banks to work together

The Alliance for Financial Inclusion (AFI) has proposed two key elements that work in most countries to support SME's and Banks in working together: SME Support Bureaux and Credit-Guarantee Schemes those were the two proposed ideas which will help and re-engineer most SME's become more viable businesses this is according to the AFI. The reason for the proposed concept was because of banks failing to support SME's leaving them in financial

constraints when they greatly boost the economies GDP. In South Africa, SMEs employ 61% of the total population," says Eliko Boletawa, a team leader at the Alliance for Financial Inclusion (AFI).

SADC appoints Ian Khama as new chair

The President of Botswana, H.E. Mr. Ian Khama succeeds President of Zimbabwe, H.E. Mr. Robert Mugabe as Southern African Development Community (SADC) chair. The appointment of Mr. Khama has been viewed as a strategic move to demonstrate his strongly held political values. He is known as one of the few African leaders who has managed over the years to stand up to dictators.

Congratulations to South Africa where a new human species was discovered

In 2014 and 2015 a group of researchers uncovered over 1,500 humanlike bones in the Dinaledi Chamber of the Rising Star cave in South Africa. Last week, it was announced that these bones belong to an unknown species named 'Homo naledi'. The remains show characteristics of various ancient and more advanced humanlike species in one.

Eye for Others Meets Solar Works in Ritchie

Last month, the Ritchie Rainbow Centre was opened in Ritchie to support the community there, as it endures socio economic obstacles. Our member, project leader Ton van der Smit of Eye for Others established this. Another one of our members, Solar Works, donated 500 light bulbs to this centre that has now become the new home of Kagisho Centre for Disabled Children.

IBN takes its immigration services to SADC

Due to the rapidly changing business environment in Africa the migration within the continent has increased substantially in the recent years. In order to service this new demand as well as to satisfy some of their existing corporate clients who asked them to provide mobility services into other countries in

Francesca Fondse (CEO) & Arthur Fedder (Senior Managing Partner)

Senior Managing Partner
De Angelus Estates

How could you best describe your organization?

De Angelus Estates is the world first organization which combines organic principles of life throughout variant aspects of development. It is geared at combining Social Investment, Agro, Education, Residential, Conservation and Spirituality in one sustainable development hub.

What makes your products/ company/ service different from others?

De Angelus Estates is creating the first retreat in the world focused entirely on spiritual health and energy principals, within one of the most scenic areas in South Africa. Our products and services are designed around principles of growth within definite social consciousness guidelines. Those guidelines are supported by several development strategies of South Africa i.e. the National Development Plan, the Rural Development Plan and the Infrastructural Development Plan. We offer our investors sound return on investment and purpose.
